

CITY OF HAYWARD

AGENDA REPORT

AGENDA DATE 12/12/00

AGENDA ITEM

WORK SESSION ITEM

TO: Mayor and City Council

FROM: Acting Director of Finance and Internal Services

SUBJECT: Adoption of a Resolution Accepting the Report and Adopting Findings Related to Fees Collected for Development Projects That are Subject to the Requirements of the Mitigation Fee Act

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution regarding the City's compliance with certain provisions of the Mitigation Fee Act, sometimes referred to as AB 1600.

BACKGROUND:

It is common for local agencies to charge fees on new development to fund construction of capital facilities that will serve the development. The AB 1600 (Cortese) portion of the Mitigation Fee Act applies to fees charged in connection with the approval of development projects to defray cost of public facilities. It was enacted by the State Legislature in 1987, and applies to developer fees established, increased, or imposed on or after January 1, 1989.

In order to comply with the Mitigation Fee Act, the City must follow four primary requirements:

1. Make certain determinations regarding the purpose and use of a fee and establish a "nexus" or connection between a development project (or class of project) and the public improvement being financed with the fee;
2. Segregate fee revenue from the General Fund in order to avoid commingling of capital facilities fees and general funds;
3. For fees that have been in the possession of the City for five years or more, and for which the dollars have not been spent or committed to a project, the City must make findings each fiscal year describing the continuing need for the money; and
4. Refund any fees, with interest, for developer deposits for which the findings noted above cannot be made.

The City has complied with numbers 1 and 2 above from the outset since the funds collected are necessary to fund the cost of improvements which benefit or will benefit the subject

development; the attached report enumerates compliance with numbers 3 and 4 for fiscal year 1999-00.

Findings have been made with respect to the portion of any fees remaining unexpended or uncommitted to a project. The findings identify the public purpose for which a particular fee was received, indicate the relationship between the fee and the purpose, and show the continuing need for the funds if the need exists. Refunds of the uncommitted or unexpended portion of fees are to be provided to the depositor for projects for which such need cannot be demonstrated.

Exhibit A to this report is a record of the fees received by the City since January 1989, currently on deposit, in connection with development projects that involve the construction or maintenance of public facilities (street improvements, utility relocations, maintenance districts) and are governed by AB 1600. Included for each applicable deposit are the name of the project and the depositor, the date and amount of the original deposit, the current balance in the deposit account, and a summary of the findings for each deposit.

Exhibit B provides detailed information for each of the summary findings listed on Exhibit A. The narrative includes the specific public improvements for which deposits were received by the City, the relationship between the developer's project and the public improvements, and an explanation of why the funds should be retained after five years if that is the case.

The Council is requested to accept the information regarding AI3 1600 deposits contained in Exhibits A and B, and adopt findings as to those funds that remain unexpended five or more years after deposit.

The information contained in the Mitigation Fee Act compliance report has been provided to the Building Industry Association and the affected developers.

1999-00 PROJECT DESCRIPTIONS AND PURPOSES FOR AB1600 DEPOSITS

This information corresponds to the projects listed on Exhibit A.

1. **The Plymouth Group-Tract 6078 (2280-006)**: The deposit represents the estimated fee the subdivider is responsible to pay toward a benefit district that will be established to relocate utility poles on Mohr Drive. Completion is anticipated to occur within the next five years. The funds will be retained in the account until the benefit district is formed, at which time the monies will be transferred to the benefit district.
2. **Sunnyside Commons-Tract 6391 (2280-008)**: The deposit represents the estimated fee the subdivider is responsible to pay toward a benefit district that will be established to relocate utility poles on Mohr Drive. Completion is expected within the next five years. The funds will be retained in the account until the benefit district is formed, at which time the monies will be transferred to the benefit district.
3. **Sunnyside Commons II-Tract 6260 (2280-009)**: The deposit represents the estimated fee the subdivider is responsible to pay toward a benefit district that will be established to relocate utility poles on Mohr Drive. Completion is expected within the next five years. The funds will remain in the account until the benefit district is formed, at which time the monies will be transferred to the benefit district.
4. **Sunnyside Commons JV-Tract 6645 (2280-015)**: The deposit represents the estimated fee the subdivider is responsible to pay toward a benefit district that will be established to relocate utility poles along Mohr Drive. Completion is expected within the next five years. The funds will be retained in the account until the benefit district is formed, at which time the monies will be transferred to the benefit district.
5. **Sunnyside Commons JV-Tract 6646 (2280-016)**: The deposit represents the estimated fee the subdivider is responsible to pay toward a benefit district that will be established to relocate utility poles along Mohr Drive. Completion is expected within the next five years. The funds will be retained in the account until the benefit district is formed, at which time the monies will be transferred to the benefit district.
6. **Sunnyside Commons Joint Venture-Tract 6713 (2280-028)**: This project is the construction of Phase VI (21 lots) of an approved 117 single-family lot subdivision. The deposit represents the estimated fee the subdivider is responsible to pay toward a benefit district that will be established to relocate utility poles along Mohr Drive. Completion is expected within the next five years. The funds will be retained until the benefit district has been formed, at which time the monies will be transferred to the benefit district.

7. **Herb Keith, Site Plan Review 88-9 (2328)**: The deposit was collected in connection with the construction of the University Plaza shopping center at the southwest corner of Hayward Boulevard and Civic Avenue. The deposit is the project's proportionate share of the estimated cost of the installation of a traffic signal at Hayward Boulevard and Civic Avenue. The funds will be retained in the account for installation of the traffic signal. Project has been awarded and funds will be expended in 2000-01. Walpert Ridge projects which are approved are required to commit funds toward the improvement.

8. **Clarendon Hills-Tract 5277 (2337')**: The deposit was collected in connection with a 285 condominium project (Phase I of a 488 unit condominium subdivision). The developer was required to deposit funds equal to the subdivision's proportionate share of the estimated cost for the extension of Vanderbilt Street to Overhill Drive. The funds will be retained until used for the extension, which is dependent upon future development.

9. **Grandview Estates-Tract 6011 (23411)**: The deposit is related to the subdivision of an 8.2 acre parcel into 3 I single-family lots. A condition of approval for the project required a cul-de-sac to be constructed at the end of Grandview Avenue. The purpose of the deposit is to fund that construction. The Fire Department has determined, in lieu of the cul-de-sac: an emergency vehicle access will be provided between Grandview Avenue and Pappas Place. The funds will be utilized to improve this emergency vehicle access. A contract has been awarded and funds will be expended in 2000-O 1.

10. **Bailey Ranch - Tract 6169 (2262-001)**: The deposit is related to the subdivision of 391 ± acres into 135 single-family lots. The deposit represents the proportionate share the subdivider is responsible to pay towards land acquisition at the 128.5 reservoir to accommodate a future second tank. The funds will be retained in the account until the land has been acquired.

11. **Bailey Ranch – Tract 6169 (2262-002)**: The deposit is related to the subdivision of 391 ± acres into 135 single-family lots. The deposit represents the subdivider's proportionate share of the Fairview Traffic Calming Study and related improvements per the study. The funds will be retained until the study and the improvements are complete.

12. **Bailey Ranch – Tract 6169 (2262-003)**: The deposit is related to the subdivision of 391 ± acres into 135 single-family lots. The deposit represents the proportionate share the subdivider is responsible to pay towards required traffic improvements. The funds shall be retained until the improvements are complete.

13. **Bailey Ranch – Tract 6169 (2262-004)**: The deposit is **related** to the subdivision of 391 ± acres into 135 single-family lots. The deposit represents the subdividers pro-rata share of the water system improvements identified in the Preliminary Analysis of Water Facilities Proposed for the Blue Rock Country Club, Walpert Ridge Specific Plan Area. The funds will be retained until the improvements are complete

14. **Bailey Ranch – Tract 6169 (2262-005)**: The deposit is related to the subdivision of 391 ± acres into 135 single-family lots. The deposit represents the proportionate share the subdivider is responsible to pay towards required Scenario 3 traffic improvements. The funds shall be retained until the improvements are complete.
